NEW YORK CITY

**Hi
Mara**

Ciao,
Marilena

Who am I?

- My name is Maria Elena Benvenuto. In Italy, everyone calls me Marilena. But in the States, everyone call me Mara.
- I was born in New York city, and went to school there too.
- I taught at an elementary school in Manhattan for 9 years. I then became principal of an elementary school in Yonkers. I was principal for 2 years.
- I moved to Polla 2 years ago from New York. I can understand how difficult it is to learn a language. It takes time, patience and an openness to make mistakes!
- I like to go running, and I enjoy reading. I do not like scary movies.
